I killed a person when I was 15.
PLEASE COME AGAIN!
It was the most euphoric moment of my life.
HAAAAH
HAAAAH
She was the classmate that I was in love with. I dismembered her.
And the price was 20 years in prison ...
For 20 long years I cursed my own existence

"You should've never been born."
ZAAAA
The last thing my parents said to me was,
3 years after my release ...
My only choice is to live in solitude ...
That urge almost impossible to suppress ...
Even more so if I fall in love with them
I have the urge to chop up beautiful women
Honestly ...
...

Zsh...
HAA
HAA
Why am I like this, I wonder ...
Hmm

my kind of love ...

Perhaps the act is sincere, coming naturally on my part.
Even so, I know I am abnormal ...
A HAIRPIN!
IT LOOKS GREAT ON YOU.
THE FLOWER ON THAT HAIRPIN IS CALLED AN "IRIS".
SOUNDS SIMILAR TO ALICE, RIGHT?
THE MEANING OF IRIS IN THE LANGUAGE OF FLOWERS IS...

He was such a nice person
I can't believe it
They seemed to get along very well
Yes... He and the girl came here together to buy clothes
residents of the neighbourhood, believed the suspect to be a very good man and that there had been a mistake...
All those interviewed,

The public dubbed me the "Butcher".
